[No. 76/57.]

S.R.O. 3218.—In exercise of the powers conferred by section 37 of the Central Excises and Salt Act, 1944 (1 of 1944), as in force in India and as applied to the State of Pondicherry, and in supersession of the notification of the Government of India in the Ministry of Finance (Revenue Division) No. 3-Central Excises, dated the 1st March, 1955, the Central Government hereby makes the following further amendments in the Central Excise Rules, 1944, namely:—

In the said rules—

I. Under the heading "E-I Cotton Fabrics", for rules 96A to 96C, the following rules shall be substituted, namely:—

"96A. *Definitions.*—In this Section—

- (i) "piece of cotton fabrics" means any running length of cotton fabric, and includes a fabric comprising an uncut pair of dhoties, sarees, chaddars, bed-sheets, bed-spreads, counterpanes, towels, bathmats and table-cloths and any other item ordinarily sold by the pair;
- (ii) "damaged or sub-standard cotton fabrics" include:
 - (a) 'chindies' that is to say, cut pieces of cotton fabrics which are 9 inches or less in length;
 - (b) 'rags', that is to say, cut pieces of cotton fabrics which are more than 9 inches but less than one yard in length;
 - (c) 'fents', that is to say, cut or damaged pieces of cotton fabrics (including cut or damaged pieces of dhoties and sarees) which are one yard or more but not more than three yards in length.

96B. *Markings on cotton fabrics.*—(1) There shall be marked on each piece of cotton fabrics at a distance not exceeding one yard from any end—

- (i) the word "Coarse" where the average count of yarn is below 17s; the word "Medium" where the average count of yarn is 17s or more but is less than 35s; the word "Fine" where the average count of yarn is 35s or more but is less than 48s; and the word "Superfine" where the average count of yarn is 48s or more;
 - (ii) the length of the piece in standard yards; and
 - (iii) the width in inches.
- (2) The markings prescribed in sub-rule (1) may be made—
- (i) in the case of mesh cotton fabrics, on a piece of cloth stitched to such fabrics;
 - (ii) in the case of raised blankets, on a piece of cloth securely stuck to such blankets;
 - (iii) in the case of lint cloth, on a piece of paper securely stuck to such cloth;
 - (iv) in the case of bed-sheets, table-cloths, blankets including waste blankets, furnishing fabrics, towels, bath-mats made to retail sizes, napkins, dusters, swabs, tray-cloths or handkerchiefs; if the producer so desires, on a piece of cloth securely sewn to the item or piece.

(3) Nothing in sub-rules (1) and (2) shall apply to chindies, rags and fents.

96C. *Markings on bales.*—(1) There shall be marked on every bale or other package of cotton fabrics—

- (i) the markings specified in clauses (i) to (iii) of sub-rule (1) of rule 96B;
- (ii) the total area in square yards of cotton fabrics packed therein;

- (iii) where cotton fabrics of different average counts or of different widths are packed in the same bale or other package, there shall be marked on every such bale or other package, the following particulars in respect of such fabrics:

Variety	Width in inches	Total length in standard yards
(a) Superfine		
(b) Fine		
(c) Medium		
(d) Coarse		

(2) Nothing in clauses (i) to (iii) of sub-rule (1) shall apply to chindies, rags and fents but there shall be marked on every bale or other package containing chindies, rags and fents, the net weight of the bale or other package”;

II. Under the heading “E.III-Rayon or Artificial Silk Fabrics and Cotton Fabrics produced on powerlooms—special procedure”, in sub-rule (1) of rule 96-L, after the figures “55”, the figures, letter and brackets “96-B(1)” shall be inserted.

S.R.O. 3252.—In exercise of the powers conferred by section 22 of the Requisitioning and Acquisition of Immovable Property Act, 1952 (30 of 1952), the Central Government hereby makes the following amendments in the Requisitioning and Acquisition of Immovable Property Rules, 1953, namely:—

1. In the said Rules—rule 9, after sub-rule (2), the following sub-rules shall be inserted, namely:—

"(3) The competent authority shall, as soon as may be practicable after the making of a requisitioning order or the service of a notice of acquisition, communicate to each person interested an offer of what, in the opinion of the competent authority, is a fair amount of compensation payable to such person in respect of the property requisitioned or acquired.

(4) If the owner of the property is not readily traceable or if there be no person competent to alienate the property or if the ownership of the property is in dispute or if there be any dispute as to the title to receive the compensation or as to the apportionment of the amount offered as compensation, the competent authority shall deposit in Court the amount of the compensation as determined by him under clause (a) of sub-section (i) of section 8. The competent authority shall at the same time submit to the Central Government a report setting forth the full facts of the case with all connected papers and apply for the appointment of an arbitrator. Where the compensation is recurring, the competent authority shall, in cases covered by this sub-rule, deposit the amount in Court from time to time in arrear as it falls due.

(5) (i) Every person interested to whom an offer is made under sub-rule (3) shall, within fifteen days of the receipt of the offer, communicate in writing to the competent authority his acceptance or otherwise of the offer. If he accepts the offer, the competent authority shall enter into an agreement with him on behalf of the Central Government in Form 'K'.

(ii) In the following circumstances, the competent authority may, at his discretion, make, to persons of small means 'on account' payment upto 80 per cent. of the amount which, in his opinion, is likely to be assessed as compensation or recurring compensation as the case may be:—

- (a) When there is likely to be delay in assessing compensation;
- (b) where the competent authority has made an assessment but there is delay in reaching an agreement though there is a reasonable prospect of agreement being reached; or
- (c) where it is clear that an agreement cannot be reached.

(iii) If the competent authority makes an 'on account' payment under clause (ii), he shall enter into an agreement with the person to whom payment is made on behalf of the Central Government, in form 'L' with such modification as the nature of the case may require.

(6) If any person to whom an offer is made under sub-rule (3) does not accept the offer or does not within fifteen days of the receipt of the offer communicate in writing to the competent authority his acceptance or otherwise of the offer, the competent authority shall, as soon as may be, submit to the Central Government a report setting forth the full facts of the case, particularly as regards the nature and extent of disagreement between himself on the one hand and the said

person on the other hand and he shall also forward with the report all connected papers. The competent authority shall at the same time deposit in Court the amount offered by him to the said person under sub-rule (3)".

(2) In rule 10, after sub-rule (4), the following sub-rules shall be inserted, namely:—

"(5) When the arbitrator has made his award he shall sign it and shall give notice in writing to the parties to the reference of the making and signing thereof. He shall also send to the competent authority as well as to the person or persons to be compensated a copy of the award with a note appended thereto setting forth the grounds on which the award is based and shall also forward to the competent authority the award in original together with the records of the proceedings.

(6) On receipt of a copy of the award, the competent authority shall pay the amount awarded by the arbitrator to the persons entitled thereto; and in the cases mentioned in rule 9(4) or rule 9(6), the competent authority shall deposit the amount in Court."

3. After rule 10, the following rule shall be inserted, namely:—

"10. A Moneys deposited in Court:—If any money is deposited in Court under rule 9(4), rule 9(6) or rule 10(6), the Court shall deal with it in the manner laid down in sections 32 and 33 of the Land Acquisition Act, 1894.

4. After Form 'J', the following forms shall be inserted, namely:—

FORM 'K'

[See rule 9(5) (i)]

Form of agreement to be made on behalf of the Central Government with owners of immovable property requisitioned when payment is made in full.

Memorandum of Agreement made this day of one thousand nine hundred and fifty between son of by occupation at present residing at hereinafter referred to as 'the owner'/owners (which expression shall unless excluded by or repugnant to the context be deemed to include his heirs/their respective executors administrators and assigns) of the one part and the President of India (hereinafter referred to as 'the Government' which expression shall mean and include his successors-in-office and assigns) of the other part.

Whereas the immovable property particulars whereof are set out in the schedule hereunder written (hereinafter called 'the said property') has been requisitioned under the Requisitioning and Acquisition of Immovable Property Act, 1952, and the rules framed thereunder and on the day of 19 taken possession of by or on behalf of or under the authority of the Government. And Whereas the owner has/owners have represented and stated to the Government that the owner/owners alone is/are entitled to all compensation payable in respect of the said property and no other person has any right to such compensation or any part thereof.

And Whereas the said property consists, *inter alia*, of land and structures and the Government has dismantled the said structures;

And Whereas the owner/owners and the Government have mutually agreed to settle the amount of compensation payable by the Government to the owner/owners in connexion with the said requisition in the manner hereinafter appearing:

Now it is hereby agreed by and between the parties as follows:—

1. The Government shall pay and the owner/owners shall accept and receive a sum of Rs. in full settlement of the compensation for the structures, (Omit if the owner had no structures)

2. The Government shall pay and the owner/owners shall accept and receive a payment of Rs. per month/quarter/year in arrear for the said property with effect from the said day of 19 so long as the Government shall remain in possession thereof and the requisition continues.

3. The owner/owners shall not claim or be entitled to any other compensation whatsoever in connexion with the said requisition.

4. The owner/owners shall meet and pay the revenue, rent, municipal taxes and all other outgoings relating to the said property whether payable by the owner/owners or the occupier thereof.

5. If it hereafter transpires that the owner/owners is/are not entitled or exclusively entitled to the compensation payable in respect of the said property or if the Government have to pay any compensation to any other person the owner/owners shall refund to the Government the compensation paid or such part thereof as the owner/owners is/are not entitled to and shall otherwise indemnify the Government against any loss or damage suffered by the Government by reason of any fault or defect in title as represented by the owner/owners, without prejudice to any other remedies for the enforcement of such refund and indemnity the Government may recover any sum payable by way of refund and/or indemnity as arrears of land revenue.

6. Should any dispute or difference arise out of or concerning the subject matter of these presents or any covenant clause or thing herein contained or otherwise arising out of the requisition aforesaid the same shall be referred to an arbitrator to be appointed by the Government and the decision of such arbitrator shall be conclusive and binding on the parties hereto. The provisions of the Arbitration Act, 1940, shall apply to such arbitration.

BEFORE SHRI P. D. VYAS, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, NAGPUR, AT BOMBAY.

Reference (CGIT) No. 2 of 1957

Adjudication Between:

Messrs. Kanji Jadhavji & Co., Bombay.

And

Their workmen.

In the matter of bonus for certain years.

APPEARANCES:

Shri B. M. Bhat with Shri R. R. Asher and Shri L. S. Chothani—for Messrs. Kanji Jadhavji & Co., Bombay.

Shri R. R. Cawankar, Gen Secy. Bombay Port & Dock Employees' Union—for the Workmen.

AWARD

An industrial dispute between Messrs. Kanji Jadhavji & Co, and their workmen regarding bonus for certain years was referred to me for adjudication by the Government Order LR-3(15)/57 dated 10th May 1957. The bonus in question was claimed for bargemen employed by Messrs. Kanji Jadhavji & Co., and in the said order, the years mentioned were those ending 30th June 1954, 30th June, 1955, and 30th June 1956. It appears that the Company's financial year is

from January to December and the parties agree that the bonus claimed is for the said years ending 31st December. The Government Order of Reference therefore, has subsequently been amended by No. LR-3(15)/57 dated 13th September, 1957 so as to substitute the following schedule:—

“Bonus for bargemen employed by Messrs. Kanji Jadhavji & Co., for the years ending 31st December, 1954, 31st December, 1955 and 31st December 1956.”

When the reference came up for hearing before me, the parties after some discussion arrived at an amicable settlement with a view to promote good industrial relations and requested that an Award may be made accordingly. I thus make my award in terms of the memorandum of settlement filed by the parties as annexed hereto.

Dated 17th September, 1957.

New Delhi, the 30th September 1957

S.R.O. 3260.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Labour Court, Nagpur, in the industrial dispute between the employers in relation to the Liberty Colliery, P.O. Dhansar, Dhanbad District, and their workmen.

BEFORE SHRI P. D. VYAS, LABOUR COURT, NAGPUR, AT BOMBAY

REFERENCE (LC3 No. 3 of 1957

ADJUDICATION

BETWEEN

The Liberty Colliery, P.O. Dhansar, Dhanbad District

AND

Their workmen.

In the matter of removal of certain workmen by the Management.

APPEARANCES:

AWARD

This reference has been made to me by the Central Government under Notification, dated 13th June, 1957 [LR-II-55-6(36)/57] for adjudication of an industrial dispute between the Liberty Colliery, P.O. Dhansar, Dhanbad District and their workmen. The dispute relates to the matters specified in the following schedule annexed to the said Notification:—

SCHEDULE

- (i) Whether the removal from service of Sarvashri Gyani Dusadh, Pradip Dusadh, Ganesh Bhuiyan, Fagu Bhuiyan, Durga Bhuiyan, Madan Bhuiyan, trammers and Shri Chota Gobardhan, miner, by the management of Liberty Colliery is justified;
- (ii) If not, to what relief these above mentioned workers are entitled?

2. On the usual notices being issued, General Secretary, Bihar Colliery Mazdoor Sangh, filed the statement of claims, dated 23rd July, 1957 but no written statement was received from the management of the Liberty Colliery. The management was ultimately informed by a letter dated 11th September, 1957 that its written statement was not filed on the due date and the same having not been received so far, it should file the same on or before 20th September, 1957. In the meantime, the parties have amicably settled the dispute and have sent by registered post the Memorandum of settlement, dated 17th September, 1957, respectively signed by General Secretary.

'ANNEXURE'

BEFORE THE JUDGE, LABOUR COURT AT NAGPUR

IN THE MATTER OF REFERENCE (LC No. 3 of 1957)

BETWEEN

The Liberty Colliery, P.O. Dhansar, Dhanbad District

AND

Their workmen.

AND

In the matter of Settlement between the Parties.

The humble petition on behalf of the parties above-named.

Most respectfully sheweth:—

- (1) That the parties have amicably settled the disputes which are the subject matter of the above reference.
- (2) That Sarvashri Gyani Dusad, Pradip Dusad, Ganesh Bhuiya, Fagu Bhuiya, Durga Bhuiya, Madan Bhuiya, Trammers and Sri Chhota Gobardhan, Miner, have since been reinstated by the Management of Liberty Colliery.

- (3) That the above reinstatement has been made without any break in the continuity of the service of the workmen concerned.
- (4) That the period till the date of reinstatement will be considered as leave without any pay and the workmen will not be entitled to claim Bonus or other emoluments of any relief of any kind for that period.
- (5) That the parties will bear their own respective cost.

It is, therefore, prayed that the above reference may kindly be disposed of on the terms of compromise stated above and an award be passed accordingly.

On behalf of the workmen of the
Liberty Colliery,

[No. LR/II/55-6(36)/57.]

New Delhi, the 4th October 1957

S.R.O. 3261.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), read with section 30 of Act 36 of 1956, the Central Government hereby publishes the following award of the Central Government Industrial Tribunal, Delhi, in the matter of an application under section 33-A of the said Act from Shri Charanjiv Lal Sachar, a workman of the Punjab National Bank Limited.

BEFORE SHRI RAM KANWAR, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL—DELHI.

REFERENCE No. LR 100(98) DATED 2-9-53

in the matter of an Industrial Dispute

Between

The employers in relation to the Punjab National Bank Ltd.

and

its workmen.

APPLICATION UNDER SECTION 33A OF THE INDUSTRIAL DISPUTES ACT;—

Shri Charanjiv Lal Sachar *Versus* Punjab National Bank Ltd.

APPEARANCE: Petitioner with Shri H. L. Puri;
Shri M. K. Jain—for the Bank.

AWARD

Shri Charanjiv Lal Sachar (to be hereinafter referred to as Petitioner) entered the service of the Punjab National Bank Ltd., (to be hereinafter referred to as bank) in 1948 as a supervisor and worked for about 3 years as such in

Pakistan in the Lahore Branch of the bank. The copies of certificates attached by him with his application indicate that his work and character were greatly appreciated by the managers, Shri B. N. Khanna and R. Parshad under whom he worked at Lahore.

2. From Lahore the petitioner was transferred to Bhilwara where he joined on 18th June 1951 and from there to Kishan Garh Pay Office where he worked from 7th November 1951 to January 1955.

3. From Kishan Garh Pay Office he was transferred to Railway Road Branch of Jullundur City and joined there on 18th January 1955.

4. Three firms were then carrying on leather business in Jullundur City. Their names were Banarsi Lal & Sons, Harbans Lal & Sons Lakshmi Leather Stores. Banarsi Lal and Harbans Lal, proprietors of the first two firms are real brothers, while Satya Pal proprietor of the third firm is brother-in-law (wife's brother of Banarsi Lal). Banarsi Lal, Harbans Lal and the petitioner are Sachar by caste and were residents of one and the same village in Sialkot District in Pakistan before the partition of India. Banarsi Lal had an account in Chowk Sudan Branch in Jullundur City and enjoyed temporary overdraft facility to the extent of Rs. 3000/- while Harbans Lal had a fixed deposit of Rs. 10,000/- in the name of his wife in Railway Road Branch and also an overdraft account in it on the security of that fixed deposit.

5. Bills accompanied by Railway Receipts or without Railway Receipts received by the Railway Road Branch remained during office hours in the custody of the petitioner, although there was no order in writing to that effect.

6. It is an admitted fact that 5 bills detailed below accompanied by Railway Receipts were received by the Railway Road Branch for collection, 4 from other branches of the bank and one from a party. All the documents had been duly entered in the relevant registers and remained in the custody of the petitioners during office hours.

No.	B.C. No.	R.R. No.	Amount	Date of receipt	Drawee
1.	1761	526357	Rs. 832/-	31.5 1955	Banarsi Lal & Sons
2.	2586	527276	Rs. 1606/ 1/-	7.6 1955	Banarsi Lal & Sons
3.	2741	527279	Rs. 1639/15/-	16.6 1955	Banarsi Lal & Sons
4.	2838	534375	Rs. 658/11/-	23.6 1955	Banarsi Lal & Sons
5.	2839	534372	Rs. 1397/10/-	23.6 1955	Banarsi Lal & Sons
Total ..			Rs. 6134/ 5/-		

7. Shri S. K. Khanna, Manager of the Railway Road branch while checking the bills in hand came to know on 29th June, 1955, that the above mentioned Railway Receipts were not in the bank with the result that he called upon the petitioner to explain their absence. The petitioner's explanation dated 1st July, 1955 was as below:—

“The Railway Receipts were delivered after office hours on 29th June, 1955 to the drawee and a cheque in lieu of payment was obtained and kept in the bill box. The bills are being adjusted today to debit of account of the drawee.”

8. The statement of Shri Manghe Ram clerk before the enquiry Officer and supported by the statement of Shri Khanna in this Tribunal indicates that the petitioner's explanation to the enquiry of Shri Khanna about the missing Railway Receipts was that he might have misplaced them and that he would make a search for them. Shri Khanna also stated before the enquiry officer that when the petitioner came to his room after the alleged search, he further stated that the R. Rs. were not in his box and that they might have been lost by the hundi presenter.

9. The matter was brought to the notice of the Inspector who was there at that time. The Inspector on a personal enquiry from the goods offices came to know that the Railway Receipts in question had been endorsed by the petitioner on

behalf of the bank in favour of M/s Banarsi Lal and Sons and the endorsees had taken delivery of goods pertaining to Bill No. 1761 on 14th June, 1955, pertaining to bill No. 2586 on 15th June, 1955, pertaining to bill No. 2741 on 18th June, 1955 and pertaining to the remaining 2 bills on 25th June, 1955. It is thus apparent that the petitioner's statement of 1st July 1955, as to delivery of Rs. 1ks. on 29th June, 1955, was incorrect.

10. On coming to know of the aforesaid facts, Shri L. C. Soneja Inspector charge-sheeted the petitioner on 4th July, 1955, enquiring from him why the Railway Receipts were delivered by him to the drawees without receiving the amounts of the bills from them. EXT M/4, is an admittedly correct copy of that charge-sheet. The petitioner submitted his reply on 5th July, 1955, Ext. M/5 is its correct copy. The reply was that the drawees were a sound party and old customers of the bank, that he accommodated them on receipt of a blank debit voucher of one of their allied concerns namely Lakshmi Leather Stores. He also stated that on 29th June, 1955 he received a blank cheque drawn by Shri Harbans Lal elder brother of Banarsi Lal and thereby adjusted the amounts of the bills. He further stated that it was an unintentional omission on his part in the interest of the bank. No blank debit voucher was placed on the record of the bank and it was apparently obtained by the petitioner subsequently with a view to support his story.

11. The matter was reported by the Inspector to the Head Office of the bank and in accordance with a direction of the Head Office, Shri S. K. Khanna Manager suspended the petitioner on 9th July 1955.

12. The Head Office subsequently charge-sheeted the petitioner on 18th July, 1955 and called upon him to submit his reply within 3 days of the receipt of the charge-sheet. Ext. M/8 is a correct copy of it.

13. On receipt of the petitioner's reply in which he alleged for the first time that the Railway Receipts were delivered to the drawees in accordance with the direction of the Manager, the Head Office referred the matter to Shri Y. P. Puri, Manager, Civil Lines, Jullundur City Branch for enquiry as per letter dated 2nd February, 1956, Shri Puri held the enquiry in the presence of the petitioner on 14th February, 1956 and came to the conclusion that Shri Khanna, Manager was not a party to the fraud at any stage through he was negligent in the discharge of his duty in so far as (a) checking of the bills was concerned and (b) allowing the custody of the bills to a non-holder of power-of-attorney. As regards the petitioner his finding was that he committed the fraud for no monetary consideration, but for the personal relations with the party with a view to save it from payment of demurrage to the Railway in anticipation of necessary payment being made in near future. He also recommended that as the bank had not suffered any loss, the petitioner might not be dismissed from service but some punishment by way of degradation in grade and stoppage of increments for 3 years be awarded to him.

14. The Head Office did not accept that recommendation and after taking into consideration the reply of the petitioner dismissed him from service on 6th March, 1956. Subsequent representation of the petitioner dated 16th August, 1956 was also considered but was filed as it was found without any substance.

15. The petitioner thereupon sent to the tribunal by registered post on 19th February 1957 this application under Section 33A of the Industrial Dispute Act with a prayer for his re-instatement on the allegation that he had acted in the matter under the instructions of the Manager Shri Khanna and that on a previous occasion also he had acted in a similar manner in the case of S. P. Gramophone and Co. in accordance with his written instructions.

16. The bank opposed the application and also raised a preliminary objection that it was not competent because the petitioner was not a 'workman'. On merits its reply was that it was justified in dispensing with the service of the petitioner.

17. On the pleadings of the parties the following issues were framed:—(1) Whether the petitioner is not a workman and (2) whether the dismissal of the petitioner was unjustified.

18. Issue No. 1.—While at Kishangarh, the petitioner had power-of-attorney of the bank, but it was not renewed on his transfer to Jullundur, because the

Manager did not send to the Head Office a definite proposal as required by it. The petitioner was thus incompetent to endorse the Railway Receipts in favour of the drawees. He was also not duly authorised to have the bills in his custody and the Manager was apparently unjustified in allowing these documents to remain with him. It is admitted by the Manager in his evidence that a large number of entries in various registers and all the entries in old record-register are in the hand of the petitioner. This supports the petitioner's story that he himself made necessary entries (a) when any of the clerks working under him could not finish his work in time, (b) when the clerk concerned was on leave or put to some other work, or (c) when there was no permanent hand for a particular job. His main duty was the checking of the work of clerks working under him. That duty consisted of comparing the entries and of seeing whether the totals etc., made by the clerks were correct. He was expected to make necessary corrections in his hand and to initial them. This duty was apparent that of a clerk though of somewhat higher order. The supervisory duties in a banking industry are quite different from supervisory duties in a manufacturing or repairing industry. Again a Bench of Labour Appellate Tribunal in the case of Punjab National Bank Ltd., versus its workmen 1952(2) LLJP.648, held that supervisors of the Bank in its U.P. Branches are workmen. Now there is nothing on the record to indicate that the duties of the petitioner were of a higher order than those of the supervisors of U.P. Branches. The result therefore is that I decide this issue against the bank.

19. This brings us to issue No. 2. When the petitioner was a 'Workman', the bank as provided by Section 33 of the Industrial Disputes Act was expected to obtain the permission of this Tribunal before dismissing him because proceedings were being taken in it in respect of an Industrial Disputes in which the petitioner was concerned. The action was taken by the Bank apparently under bonafide mistake relating to the status of the petitioner. This tribunal is not concerned with the non-compliance of the provisions of Section 33, it has only to see whether the Bank's action was justified on the merits of the case. It is obvious that the petitioner's dismissal was not malafide or an act of unfair labour practice or of victimization. The petitioner's plea that he had endorsed the Railway Receipts in favour of Banarsi Lal in accordance with the directions of the Manager is obviously false. The enquiry officer has very rightly come to this conclusion. First of all there is no explanation that if the case was as urged by the petitioner, why the Manager went out of his way to charge-sheet him on 29th June 1955 and why the petitioner did not then take up the plea now urged by him. Had the case been as alleged by the petitioner, the Manager was expected to hush up the matter by manipulating things and not bringing the matter to the notice of the Inspector who was in Jullundur since 18th June, 1955. Moreover, this plea was not taken up by the petitioner even in his statement before the Inspector on 5th July 1955. It is significant that in a later statement of his the petitioner had clearly stated that his statement of 5th July had been made by his free-will and without any outside influence. He tried to deceive the Manager in reply to the latter's oral enquiry about the Railway Receipts on 29th June, 1955 and again in his statement of 1st July, 1955.

20. In support of his plea, the petitioner has relied on a case of S. P. Gram. Company in which the party had requested the branch Manager by letter Exp. M/11 dated the 30th March, 1955 to retire their bill for Rs. 1861 on 2nd April 1955 as 1st April was a holiday and to deliver the Railway Receipt to them on 30th March, 1955 to avoid incurring of demurrage without debiting their account as they had since closed their books for Income Tax purposes. They had also stated that if their account was debited on that date then their books would not tally with the books of the bank. The amount of the bill was only Rs. 1861 and the party's account showed a debit balance of Rs. 5699/8/- against the Drawing Power of Rs. 12,000. In order to safeguard the bank's interest the drawing power available in the account had been earmarked upto the extent of Rs. 1900. In this connection it is significant that according to the petitioner he refused to carry out the oral direction of the Manager to comply with the request of the party, unless the direction was reduced to writing and that the needful was done after the Manager had given a written order. When such was the case and the petitioner as alleged by him had handed over the R.R's. to Shri Banarsi Lal as desired by the Manager, there is no explanation why the Petitioner did not insist on getting a written order in this case also.

21. Manager's Monthly Routine Report for July, 1955 Ext. M/14 indicates that the Manager checked and examined the outstanding bills etc. in the month of June 1955 on 18th & 30th. In case the Manager had really done the necessary checking on 18th June, he would have come to know that the first three Railway Receipts in question were not then in the custody of the bank. The Manager's explanation that he did not do the necessary careful checking on that day because the Inspector

had reached Jullundur by that time and was in due course expected to do the checking, is not at all satisfactory. If such was really the case there was no occasion for his note that he had done the needful. It appears that he did not do the minute checking which he was expected to do. On 29th June he first noted and signed in I.D.B.C. parties register No. 7 in red ink, "bills in hand checked and found correct," but subsequently inter lined "and found correct," and noted in a different ink "Re B/C No 1761 R.R. found missing" while in I.D.B.C. branches register No. 9 he first put his signature in red ink with date against the words 'checked by' and subsequently made the addition in a different ink "R.Rs. relating to B.C. No. s2586, 2741, 2838 and 2839 found missing". It appears that the checking, was done on 29-6-55 and the 30th was shown as the date of checking, because it was the close of business day. The letter sent to the Head Office about the incident is also dated 29-6-55. The above facts only indicate that the Manager was somewhat negligent in discharging his duties, but I fail to understand how they support the petitioner's allegation that the R/R's were delivered to Shri Banarsi Lal in accordance with the directions of the Manager. The Petitioner was not only a previous fellow villager of Shri Banarsi Lal but his relations with the latter's family were very cordial. Shri Banarsi Lal is obviously a well-to-do party and as already observed had an over draft account in Chowk Sudan Branch of Jullundur. It is therefore obvious that the R./Rs. were delivered by the petitioner to Shri Banarsi Lal simply to save the latter from demurrage as he had no ready cash with him at that time, without any monetary gain to himself. All the same the petitioner's act was quite unauthorized and against the interest and rules of the Bank. Had the petitioner come to this tribunal with clean hands and had spoken the truth and had not falsely tried to implicate the Manager, I would have taken a lenient view and might have ordered his re-instatement accompanied by some penalties but he has spoiled his case by over cleverness and his attempt to deceive the Tribunal. Such being the case I reject his petition but leave the parties to bear their own costs. An award is therefore, made accordingly.

Let a copy of the award be sent to the Ministry of Labour, Government of India for necessary action.

ORDER

New Delhi, the 5th October 1957

S.R.O. 3267.—Whereas the Central Government is of opinion that an Industrial dispute exists or is apprehended between the employers in relation to the Bombay Port Trust and their workmen, regarding the matters specified in the Schedule hereto annexed;

And whereas, the Central Government consider it desirable to refer the dispute for adjudication;

Now, therefore, in exercise of the powers conferred by Section 7A, and clause

(d) of sub-section (1) of section 10, of Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby constitutes an Industrial Tribunal with Shri A Das Gupta, Member, Labour Appellate Tribunal, as the Presiding Officer, with headquarters at Calcutta, and refers the said dispute to the said Tribunal for adjudication.

THE SCHEDULE

What arrears of wages on account of overtime, if any, are due, having regard, among other things, to considerations of equity and merit and/or the provisions of the Minimum Wages Act and the rules thereunder to:—

- (1) the workers of the Engineering Department doing "Port" or watch duty since 15th March, 1951; and
- (2) the signallers of the Pilot Vessel "Kennery" for work in excess of eight hours per day since 15th March, 1951.

[No. LR-3 (28)/57]

TEJA SINGH SAHNI, Dy. Secy.

New Delhi, the 24th September 1957

S.R.O. 3268.—In pursuance of section 36 of the Employees' State Insurance Act, 1948 (34 of 1948), the Annual Report of the Employees' State Insurance Corporation for the year 1955-56 is hereby published for general information.

EMPLOYEES' STATE INSURANCE CORPORATION

ANNUAL REPORT FOR THE YEAR 1955-56

1. Introduction.—The Employees' State Insurance Scheme continued to make progress during the year under report. As in the previous year, this year too recorded substantial progress in the extension of the Scheme to new areas. A further 3,19,000 employees in the States of Madras, Hyderabad, West Bengal, Andhra and Uttar Pradesh were brought within the purview of the Scheme, thus increasing the total coverage from 6·90 lakhs at the beginning of the year to 10·09 lakhs at its end. During the year 1954-55, it might well be said that the work was in a state of ferment inasmuch as the Corporation had to devote considerable time and effort in the solution of various problems confronting it as well as in accelerating the extension of the Scheme. In the year under report, however, extension of the Scheme to new areas was smoother being largely the fruit of the work done in the previous year, leaving more time for consolidation of the work in its various aspects.

Steps to associate different interests participating in the Scheme with its day to day working were continued by setting up Regional Boards and Local Committees. Certain improvements undertaken for the convenience of insured persons and in the standard of medical care, are mentioned in the report. Various yardsticks laid down for establishing and equipping of offices of different sizes, were reviewed. In order to make the report more informative, statistical figures for the previous years have also been shown in some of the Appendices. This will facilitate comparison with the past activities of the Corporation without requiring reference to previous reports.

2. Progress towards implementation.—Efforts to extend the benefit provisions of the Scheme to various centres in the country were continued and the Scheme was implemented in Madras City and suburbs, Hyderabad—Secunderabad area, Calcutta City and Howrah District, 7 industrial centres of Andhra State, namely, Visakhapatnam, Chittivalasa, Nellimarla, Guntur, Mangalagiri, Eluru and Vijayawada and three more industrial towns of Uttar Pradesh namely, Lucknow, Saharanpur and Agra. The number of employees covered in each area, the date of implementation of the Scheme and the commencement of the benefit periods in various places, where the Scheme has been extended, are indicated in Appendix I. The total number of employees covered at the end of the year was 10·09 lakhs, i.e., nearly half the total insurable population in the country.

In addition to the extension of the Scheme, the Corporation assisted the State Governments of Rajasthan, Orissa and Madhya Pradesh, by deputing an officer for formulating their detailed medical plans and budget estimates for the implementation of the Scheme in new areas in these States. Arrangements were also completed for its introduction in six industrial towns in Saurashtra, namely, Rajkot, Porbunder, Morvi, Surendranagar, Bhavnagar and Jamnagar, but the implementation has to be deferred as, on account of opposition from the workers, organisations, the State Government who had earlier agreed to implement the Scheme, took the view that extension of the Scheme to Saurashtra should pend till the families of the industrial workers' could be included from the very beginning. As no decision on the question of extension of medical care to families, had been taken by the Central Government till the end of the year under report, the arrangements were wound up.

ADMINISTRATION

3. Steps towards economy.—The administrative arrangements of the Corporation were kept, as in the previous year, under constant review to effect economies consistent with efficiency, wherever possible. The following measures are of particular interest:—

(i) **Revision of staff complements.**—The yard-stick for staff in Local Offices, followed hitherto, was laid down only for offices catering to a maximum of 35,000 employees. In cities like Greater Bombay and Calcutta, however, where the concentration of employees within a reasonable area happened to be very large, it became necessary to have even larger Local Offices e.g., with 40,000/45,000 employees attached to them and accordingly, a new yard-stick to provide staff

in such Local Offices was evolved as shown in Appendix II. The strength of the staff in Local Offices in Greater Bombay and Calcutta was revised in the light of this new yard-stick, and as a result of that review, certain Local Offices were abolished/down-graded. In Greater Bombay, there remained 20 Local Offices 2 Sub-Local Offices and 2 Pay Offices instead of 24 Local Offices and one Pay Office. In Calcutta and Howrah district, the total number of offices in the area, was reduced from 16 to 13. The work-load of some of the offices in Delhi and Kanpur Regions was also reviewed. As a result of these reviews, the offices indicated below were down-graded:

<i>Name of the Offices</i>	<i>Region</i>	<i>Abolished/down-graded to</i>
1. Ambala Sub-Local Office	Delhi	Pay Office.
2. Batala Sub-Local Office	Delhi	Pay Office.
3. Ratlam Local Office	Delli	Sub-Local Office.
4. Nawabganj Local Office	Kanpur	Sub-Local Office.
5. Masjid Area Local Office	Bombay	Abolished.
6. Matunga Local Office	Bombay	Abolished.
7. Borivili Local Office	Bombay	Sub-Local Office.
8. Bhandup Local Office	Bombay	Sub-Local Office.
9. Co. sipore Local Office	Calcutta	Abolished.
10. Shambazar Local Office	Calcutta	Abolished.
11. Entally Local Office	Calcutta	Abolished.

(ii) **Abolition of posts of Chowkidars in Local Offices.**—In the beginning, Chowkidars had been provided in the Local Offices established in various States in the country. The posts were, however, not considered essential, and the regular posts of Chowkidars were abolished, the incumbents being absorbed as peons. Where necessary, only part-time Chowkidars on a monthly remuneration of Rs. 10 to Rs. 20 were engaged, depending upon the size and the situation of the Local Office.

(iii) Despite the extension of the Scheme to new areas, the work in the Headquarters Office was carried on with practically the same staff. The revised organisational set up of the Headquarters Office and the staff authorised for various divisions, is given in Appendix III. This Appendix also shows the total strength of officers and staff as on 31st March 1954, 1955 and 1956.

(iv) **Savings.**—The last report mentioned revisions in staff complements resulting in administrative economy to the extent of Rs. 3,36,000 per annum. The future annual effect of the economies effected during the year under report, is indicated below:—

	Rs.
1. Abolition of 59 posts of Chowkidars in Local Offices	45,000
2. Down-grading of certain Local Offices/Sub-Local Offices in Kanpur and Delhi Regions	21,840
3. Abolition/down-grading of certain Local Offices in Bombay Region	19,500
4. Abolition/down-grading of certain Local Offices in Calcutta Region	67,500
Total	1,53,890

4. Recruitment and Promotions.—The Corporation continued its policy of direct recruitment to all posts carrying a maximum salary of less than Rs. 500 through competitive examinations.

The supervisory posts, *viz.*, Junior Superintendents, Head Clerks, U.D.C. Incharge were reserved for departmental candidates. Accordingly, promotions to these posts were made by a Departmental Promotion Committee on the basis of

confidential records. The resultant vacancies in various lower cadres were filled by departmental promotion upto 30 per cent to 50 per cent and the balance of the vacancies were filled up by direct competitive recruitment. The total number of appointments made during the year 1955-56, is indicated in Appendix IV, showing separately those made by direct recruitment and those by promotion. Similar figures for the last year i.e., 1954-55 have also been shown in the same Appendix for comparison. It will be of interest to note that during the years 1954-55 and 1955-56, 64 Class IV employees out of the total strength of 149 who possessed the requisite educational qualification, were also promoted as Lower Division Clerks.

5. Permanency of Staff.—60 per cent. of the posts, which had remained filled up for a year or more in all the categories were declared permanent, with effect from 16th February, 1955 and steps to confirm the staff against these posts were initiated.

6. Principal Officers.—Shri P. D. Seth, Chief Accounts Officer in the Corporation relinquished charge of his post in the Corporation on the 31st March, 1956 (AN). The Central Government appointed Shri V. R. Mahadevan, an officer of the Indian Audit and Accounts Service, as the Chief Accounts Officer in the Corporation and he assumed charge of the post on the 2nd April, 1956 (AN). All posts of Principal Officers, except that of Actuary, remained continuously filled throughout the year.

7. Strength of the staff.—The total strength of officers and staff of the Corporation, as on 31st March, 1955, was 1,268 as against the strength of 1,723 at the end of the year under report. The number of officers and staff of various categories employed in different regions of the Corporation, as on 31st March, 1956 is shown in Appendix V.

8. Local/Sub-Local and Pay Offices.—The Corporation had established 73 Local/Sub-Local/Pay Offices upto 31st March, 1955. With the implementation of the Scheme in new areas, 58 more offices were established, raising the total to 131 by the end of the year under report. The distribution of these offices region-wise may be seen in Appendix V-A. Particulars in respect of these offices are given in Appendix VI.

COMMITTEES AND CONFERENCES

9. Corporation.—The Employees' State Insurance Corporation met once during the year under report i.e., on 17th December, 1955. The important decisions taken by the Corporation at this meeting are given in Appendix VII.

10. Standing Committee.—During the year under review, the Standing Committee of the Corporation held two meetings, first on the 29th July and the second on the 15th December, 1955. It approved *inter alia* the important matters detailed in Appendix VIII, and recommended certain others to the Corporation for consideration.

11. Medical Benefit Council.—A meeting of the Medical Benefit Council was held on the 28th October, 1955. The Medical Benefit Council *inter alia* made recommendations on a number of matters detailed in Appendix IX.

12. Sub-Committee.—At its meeting held on the 14th February, 1955, the Standing Committee had appointed a Sub-Committee consisting of representatives of employers, the workers and the medical profession, together with the Director General, to make a report of the working of the Scheme in Kanpur, Delhi and the Punjab. During the year under report, the Sub-Committee visited not only Kanpur, Delhi and Amritsar but also Bombay, Nagpur, Coimbatore and Hyderabad. Its first report which covered the working of the Scheme in Delhi, Kanpur, Amritsar and Bombay was submitted at the meetings of the Standing Committee and the Corporation held in December, 1955. The objective and critical appraisal of the Scheme made by the Sub-Committee in its first report was found very useful and the Corporation decided that it should continue on a regular basis. The report on the working of the Scheme in Nagpur, Hyderabad and Coimbatore was yet to be submitted at the close of the year.

13. Regional Boards and Local Committees.—(i) Regulation 10 of the E.S.I. (General) Regulations, 1950, which lays down the constitution of Regional Boards, was amended so as to provide representation to each of the States included in the Region. The *ad hoc* Regional Boards which had been constituted earlier by the Director General, were then reconstituted under the revised regulation. The re-constituted Regional Board for Bombay Region had been set up in December, 1954. The Regional Boards for Calcutta, Madras and Kanpur were formed in the

year under report. The Regional Board for Delhi Region was not set up as recommendations for certain nominees from the State Governments comprising the Region were not received in time. It was ultimately decided to keep the matter pending till the reorganisation of States.

During the year 1955-56, the Regional Boards Bombay, Madras and Kanpur each met once i.e., on 11th November, 1955, 21st January 1956 and 27th September, 1955 respectively, and the Regional Board, Calcutta, held two meetings on 26th July, 1955 and 18th October, 1955.

(ii) **Local Committees.**—Under Regulation 10-A of the E.S.I. (General) Regulations, 1950, Local Committees may be set up for such areas as may be considered appropriate by the Regional Board. Pending setting up of the regular Regional Board for the Delhi Region and formation of Local Committees under this Regulation, an *ad hoc* tripartite Local Committee consisting of the representatives of employees, employers, the State Government and the Corporation was set up at Amritsar, by the Director General. This Committee met four times during the year 1955-56. Similar *ad hoc* Local Committees were also set up at Indore, Ujjain, Ratlam and Gwalior in Madhya Bharat.

14. **Publicity.**—During the period under review, special attention was paid to educative publicity with a view to apprising insured persons of their rights and obligations under the Scheme. The officers of the Corporation broadcast talks in Hindi, English and various Regional languages from different stations of All India Radio. The documentary film on the Employees' State Insurance Scheme entitled "Dawn of Social Security" was exhibited in Hindi, English and in different Regional languages and chart exhibitions were organised in labour areas prior to the implementation of the Scheme. A number of meetings of insured persons were convened and addressed all over the country and the benefits admissible under the E.S.I. Scheme explained.

(a) Multi-coloured posters with captions in Hindi, English and the regional languages were displayed at various public places, the officers of the Corporation and factories from time to time. "Know your own Scheme" series of four pamphlets explaining the Scheme in simple language in English, Hindi and regional languages were distributed amongst insured persons. These pocket size pamphlets are entitled:—

1. General.
2. Medical Care under the Panel System.
3. Employment Injury Benefits.
4. Some Doubts Explained.

(b) The officers of the Corporation also addressed meetings of Chambers of Commerce, students and others and explained to them the salient features of the Scheme.

(c) The Corporation participated in the Indian Industries Fair, 1955, held in New Delhi and displayed specially designed and electrically operated exhibits. Special "Employees' State Insurance Scheme" folders were brought out in Hindi and English and distributed to visitors.

The Corporation also participated in the following other exhibitions:—

(i) Indian National Congress Annual Session Exhibition, Amritsar held in January, 1956.

(ii) The A.I. Industrial Exhibition, Hyderabad in January, 1956.

(iii) The exhibition arranged by the International Social Security Association at Mexico on the occasion of XII General Meeting of International Social Security Association in November, 1955.

(d) News-items about the activities of the Scheme were carried by various newspapers. Articles explaining the different aspects of the Scheme were also contributed to leading English and regional language papers.

IMPROVEMENT IN THE STANDARD OF MEDICAL CARE

15. **Hospitalisation.**—The question of provision of hospital beds, as early as possible, in accordance with the scale approved by the Corporation namely, one general bed for every 800 employees, one T.B. bed for every 1600 employees and one maternity bed for every 500 insured women continued to be pursued with the

State Governments during the year under report. The concurrence of the Corporation was communicated to the following State Governments for provision of hospital accommodation as per details given below:—

(1) **Hyderabad State.**—A 32-bedded annexe of 25 general and 7 maternity beds in the KEM Hospital and a 16-bedded annexe for T.B. patients in the Iramnuma T.B. Hospital, Hyderabad, at an estimated capital cost of construction of Rs. 1,20,800.

(2) **Madras State.**—(a) **Coimbatore.**—(i) 44 general, 14 maternity and 26 T.B. beds as annexes to the District Headquarters Hospital, Coimbatore at an estimated capital cost of Rs. 2,76,300.

(ii) Reservation of 25 beds at the Ramalingam T.B. Sanatorium, Perundurai (Coimbatore District).

(b) **Madras.**—(i) Establishment of a separate 76-bedded hospital in a rented building at Poonamallee High Road, Kilpauk Madras. This hospital has been set up as a temporary measure till a permanent building is constructed.

(ii) Reservation of 6 maternity beds at Rajah Sir Ramaswamy Mudaliar's Lying-in-Hospital, G.T., Madras and 16 beds at the Government T.B. Hospital.

(3) **Madhya Pradesh (Nagpur).**—An annexe of 25 T.B. beds in the Mayo Hospital, Nagpur at a capital cost of Rs. 50,123.

(4) **West Bengal.**—Reservation of 165 on general beds in the existing hospitals in Calcutta City and Howrah District area and 50 T.B. beds at the K. S. Ray T.B. Hospital, Jadavpur.

(5) **Bombay State.**—Reservation of 150 additional beds for T.B. cases in hospitals at Bombay and in the mofussil has been agreed to by the Corporation.

Despite the arrangements so far agreed to between the Corporation and the State Governments, the number of hospital beds in almost all the areas was, at the end of the year, below the scale approved by the Corporation. Efforts were therefore continued to establish separate hospitals in areas where the number of beds authorised exceeds 100 and annexes in other areas. Pending these arrangements, reservation of beds on the scale approved by the Corporation is being attempted.

16. **Mahatma Gandhi Memorial Hospital, Bombay.**—In this connection, the proposal for establishing a hospital to be called "The Mahatma Gandhi Memorial Hospital" in Bombay deserves mention as a special co-operative effort. This hospital with about 300 beds is to be established mainly out of the funds which are being made available to the Mill owners' Association, Bombay by the Gandhi Smarak Nidhi out of the funds donated earlier by that Association to the Nidhi. In addition the Government of Bombay has agreed to meet an expenditure upto Rs. 12 lakhs towards the cost of land required for the proposed hospital in addition to its usual share of the recurring cost. The Corporation, on its part, has agreed to meet its usual share of the cost of running the hospital and also the entire initial cost on all medical, surgical and other equipment. The Director General and the Medical Commissioner were nominated as representatives of the Corporation on the Board of Management of the proposed Mahatma Gandhi Memorial Hospital. The Government of Bombay and the Millowners' Association have also two representatives each on this Board.

17. **Dispensaries and Panel Doctors.**—In the following new areas where medical care is being provided through the service system, 35 full-time and 10-part-time dispensaries were established thus raising the total number of full-time and part-time dispensaries to 74 and 20 respectively in various areas of the country. In West Bengal where medical benefit is being provided through the panel system 502 medical practitioners were placed on the authorised panel list.

Serial No.	Name of the areas	No. of dispensaries established	
		Full time	Part time
1	Madras City	14	1
2	Madras (Suburbs)	5	..
3	Hyderabad	3	8
4	Andhra	7	1
5	U. P. (Agra, Saharanpur and Lucknow)	6	..
		35	10

Particulars in respect of all the dispensaries including mobile dispensaries, panel doctors and the number of approved chemists as on 31st March, 1956 is given in Appendix X.

Residential accommodation for Insurance Medical Officers and essential ancillary staff was provided at the State Insurance Dispensaries at Subzimandi, Paharganj and Mori Gate in Delhi State. The construction of a three doctored dispensary building with residential quarters for staff was started in New Industrial Area, Najafgarh Road in Delhi.

The Corporation agreed to the construction of a dispensary building at Kavadiguda (Secunderabad) at a cost of Rs. 1,72,700.

18. Specialists' services.—In the original standard of medical benefit there was no provision for specialists consultation and treatment or for laboratory, pathological, or X-ray examinations and investigations. In view of the need for providing these facilities, the question of appointment of various categories of specialists, the strength of insured persons for which they should be appointed as well as the honoraria to be paid to them depending upon the work load, was considered by the Medical Benefit Council at its meeting held in October, 1955. The recommendations of the Council in this regard were approved by the Corporation at its meeting held on the 17th December, 1955 and are given in Appendix XI. It will be observed that part-time specialists are to be appointed in all areas where there are not less than 10,000 employees. Such part-time specialists see insured persons in existing hospitals but at specified times, when they do not have to queue up with the general public. For areas with less than 10,000 employees, separate part-time specialists have not been authorised but the State Governments have been approached to nominate existing specialists attached to their hospitals to see insured persons also. The State Government, Punjab has nominated specialists at Amritsar, Jullundur, Ambala and Bhiwani.

19. Revision of medical and ancillary staff in State Insurance dispensaries.—The recommendations of the Medical Benefit Council regarding the strength of the medical and ancillary staff required for various grades of S.I. dispensaries were approved by the Corporation at its meeting held in December, 1950. As a result of this review one doctor has been authorised for 1,750 employees as against 2,000 employees earlier. In addition, one laboratory technician has also been provided for all dispensaries with two or more doctors to help in carrying out routine laboratory examinations of sputum, stools, blood, urine, etc. Further, a microscope and all essential equipment have been provided to carry out these tests. The revised scale of dispensary staff is shown in Appendix XII.

20. Revision of the list of medical and surgical equipment, S.I. Medical Formulary, Special list of medicines and Specialists' list of medicines.—The lists of medical and surgical equipment and the drugs and medicines to be maintained at State Insurance dispensaries as revised by the Medical Benefit Council were approved by the Corporation in December, 1955. Similarly, the State Insurance Medical Formulary and the list of special medicines which are to be supplied by authorised chemists/Government medical store depots on prescription of Insurance Medical Practitioners was also revised and certain additions made. A list of special medicines to be prescribed by specialists appointed under the Scheme has also been formulated. These two lists are given in Appendix XIII and XIV. Previously the prescribing of medicines by specialists was not restricted to any list. This often caused delay in obtaining medicines from approved chemists in the absence of any contract rates for such medicines. The pricing Committees appointed by State Governments have also been authorised to revise and fix the price of these medicines quarterly. It will be seen that the pharmaceutical service has a wide range and in fact includes all available modern drugs of proved therapeutic value.

21. Medical care of insured persons living at outlying places.—Insured persons working in the implemented area but living at distant places were often unable to get themselves accepted by any panel doctor. It was, therefore, decided that when an insured person is residing at a distance exceeding three miles from the nearest panel doctor, the Insurance Medical Practitioner will be paid a visiting fee of Rs. 2 for each domiciliary visit and conveyance charges at 2 annas per mile for the actual distance travelled both ways. If the residence of the worker is within three miles from the clinic of the panel doctor the normal capitation fee alone will be paid. There is a provision also for compulsory allocation of such insured persons to panel doctors if an insured person is not able to find one to accept him.

22. Extended Medical benefit for insured persons suffering from Tuberculosis.—The Corporation at its meeting held on 13th October, 1954 had decided that insured persons suffering from Tuberculosis should be provided medical care for an additional half a month for every contribution period in which 12 contributions have been paid subject to a maximum of 2 years for the total duration of such treatment. On re-consideration, the Corporation at its meeting held on 17th December, 1955 revised its earlier resolution and decided that the extended period of medical care should be for one year if a person has been in continuous employment for the previous three years before the commencement of the spell of sickness in which T.B. was diagnosed. Regulation 103A was amended accordingly and draft amendments were notified for inviting comments.

OTHER MATTERS RELATING TO MEDICAL BENEFIT

23. Provision of medical care through indigenous systems of medicine.—In Hyderabad, the State Government appointed an Ayurvedic practitioner and a compounder in the State Insurance Dispensary, Kavadiguda for providing Ayurvedic treatment. The expenditure incurred on this account is not being debited to the Scheme but is being borne entirely by the State Government. The Ayurvedic practitioner does not, however, issue medical certificates to insured persons referred to him for treatment.

In Bombay Ayurvedic and Unani practitioners who have recognised qualifications and fulfil other necessary conditions have already been included in the panel list as Insurance Medical Practitioners. There were 135 Ayurvedic practitioners and 4 Unani practitioners in Bombay at the end of March, 1956; this number includes 12 women practitioners.

24. Utilisation of Employers' Existing medical facilities.—At the end of the year under report, the medical facilities of the following employers were being utilised for provision of medical benefit under the Scheme, under conditions approved by the Corporation.

- (1) Andhra State—Kistna Cement Works, Thadepalli.
- (2) Madras State—Buckingham and Carnatic Mills, Madras City.
Pankaja Mills, Coimbatore.
- (3) Punjab—Shri Gopal Paper Mills, Yamna Nagar.
- (4) Madhya Bharat—Malwa Mills, Indore.

A draft model deed of agreement to be entered into between the State Government and employers for utilisation of their medical facilities was formulated and forwarded to all State Governments for adoption.

25. Agreement between the Corporation and the State Governments for provision of medical care under Section 58(3).—The Corporation approved at its meeting held in December, 1955, the draft deed of agreement to be entered between the Corporation and State Governments under Section 58(3) of the Employees' State Insurance Act, as generally approved by the Labour Ministers at their Conference held in Hyderabad in November, 1955.

26. Number of insured persons treated.—During the year under report 15,45,794 new and 49,88,011 old cases were treated at the various State Insurance dispensaries and clinics of the panel doctors as against 4,61,479 and 16,41,619 respectively treated in 1954-55. 14,477 cases were referred for admission to hospitals and 1,36,951 referred for specialist investigation as against the corresponding figures of 3,658 and 28,550 in the year 1954-55.

Detailed statistics of the attendance of insured persons, medical certificates issued, cases referred to hospitals for admission and for specialist investigations and the incidence of sickness in respect of important diseases are given in Appendix XV.

27. Incidence of attendance at dispensaries and clinics of panel doctors.—The average daily percentage of new and old attendance in various areas is shown in Appendix XVI. The number of working days in a year has been taken as 300 for purposes of this calculation. The incidence is based on an assumed average number of insured persons as in last years' report equal to the number of employees plus 25 per cent on account of turnover.

The incidence in Delhi had been slightly higher probably due to the out break of jaundice in epidemic form. The increase in daily attendance in Nagpur can possibly be attributed to a long term strike during the last two months of the year under report.

28. Expenditure on medical care.—During the year under report a sum of Rs. 51,10,680-0-9 as detailed in Appendix XVII was paid by the Corporation to the State Governments towards its share of expenditure for provision of medical benefit under the Scheme. Where audited accounts have not yet been received payments represent 'on account' provisional payments to the State Governments concerned.

29. Medical Referees of the Corporation.—The Corporation employs its own medical officers designated Medical Referees who examine certain short and long term cases in receipt of cash benefits as provided under Regulation 105 of the E.S.I. (General) Regulations 1950. They also render advice where a second opinion is requested, assist doctors in the day to day working of the Scheme as well as act as liaison officers on medical care between the Corporation and the State Governments. They also represent the Corporation on Allocation and Medical Services Committees in areas where the panel system has been adopted.

At the end of the year under report, the Corporation had 13 Medical Referees posted in various Regions as indicated below:—

Greater Bombay	5	
Calcutta and Howrah Distt.	3	
Punjab	1	
Delhi	1	(With jurisdiction extending to Madhya Bharat).
Kanpur		(With jurisdiction extending to Saharanpur, Lucknow and Agra).
Nagpur	1	(With jurisdiction extending to Hyderabad and Andhra State).
Coimbatore }	1	(With jurisdiction extending to Madras City).

The analysis of incapacity references conducted by the Medical Referees during the year under report is given in Appendix XVIII. It will be seen that as a result of this scrutiny about half the cases examined by them return to work.

CONTRIBUTIONS

30. Income from Contributions.—The income of the Corporation is derived mainly from (1) Employers' Special Contribution; (2) employees' contribution. The employees' contribution is paid at the rates given in Schedule I to the Act, by employees of only such factories as are situated in areas where the benefit provisions of the Act have been applied. Under the transitory provisions of Chapter V-A, however, all employers are required to pay Employers' Special Contribution at the rate of $1\frac{1}{4}$ per cent of the wages in implemented areas, and $\frac{1}{2}$ per cent of the wages in non-implemented areas. The higher rate for the employers in area where the scheme has been implemented is compensated for by the reduction in their liability under the Workmen's Compensation Act, the State Maternity Benefit Acts, as well as savings in the leave salary for sickness and cost of medical facilities previously provided by many employers to their employees. The employers in Delhi State, Kanpur, Punjab Areas, Madhya Bharat Areas, Nagpur Areas, Greater Bombay and Coimbatore Area paid employers' special contribution at the higher rate throughout the year under report and the employers in other implemented areas from the respective dates of implementation as given in Appendix I.

The amounts received on account of employees' contribution and from Employers' Special Contribution are shown in Appendix XIX. The total amount received in the year under report as employees' contribution and Employers' Special Contribution was Rs. 2,39,61,290 and Rs. 2,25,29,288 respectively as against Rs. 97,26,321 and Rs. 1,87,89,480 received during the year 1954-55.

Under the E.S.I. Act, as passed in 1948, the employers' contribution was fixed at about twice the employees' contribution. The amendment to the Act relating to the Employers' Special Contribution which was introduced in 1951 gave the Central Government the power to revise the rates of Employers' Special Contribution with a view to regulating the income from this source so that at various stages of implementation of the Scheme it may continue to correspond to the income that would have been derived from employers' contribution under the original provisions of the Act. The rates of Employers' Special Contribution were not, however, varied by the Central Government under Section 73-A(3) of the Act, though the Scheme has made rapid progress during the past two years.

With the implementation of the Scheme in new areas, the income from employees' contribution has, as compared with the income from Employers' Special Contribution, been increasing with the result that in the year under report, the

income from employees' contribution actually exceeded that from Employer's Special Contribution. In this connection a reference to the charts on page 30A may be made.

31. Mode of collection of Contributions.—The employees' contributions continued to be collected by affixing special E.S.I. Stamps on contribution cards and by use of franking machines. Besides the use of 'Neo post' and 'Universal' Insurance Franking Machines for franking contributions on the contribution cards, another make of franking machine, namely 'Stamp-master', was also approved by the Director General during the year under report. 234 licences for the use of franking machines had been issued to the employers upto the end of the year under report as against only 13 at the end of the previous year.

32. Inspections.—The number of Inspectors in each Region of the Corporation and the number of inspections carried out both during the year under report and the year 1954-55 are given below:

Region	No. of Inspectors	No. of Inspections	
		1955-56	1954-55
Bombay	14	2240	2113
Madras	11	1022	2044
Delhi	6	1258	1083
Calcutta	11	1585	1543
Kanpur	5	1014	994

The number of inspections carried out in Madras Region during the year under report was rather low. This is due to the fact that the Scheme was implemented in several areas of the Madras Region in quick succession and some of the trained Inspectors had to be diverted from their normal duties for posting in Local Offices.

33. Defaults and Legal Action.—During the year under report, efforts were made to reduce the number of defaulting employers. General instructions approved by the Standing Committee for guidance and maintenance of a uniform policy in initiating legal action against employers who did not comply with the provisions of the Act were issued to all the Regional Directors and are being followed. The policy followed for the recovery of contributions and to ensure compliance is briefly indicated below:—

(a) **Government factories/Local Bodies factories.**—List of defaulting factories are sent to the Central Government and to the State Governments and they are requested to instruct the departments/authorities concerned to start paying contributions and comply with the provisions of the Act.

(b) **Private factories.**—(i) Apart from the issue of regular reminders, action under Section 73-D is taken for the recovery of arrears of Employers' Special Contribution as land revenue in cases of employers defaulting for two or more quarters.

(ii) For recovery of arrears of Employees' Contribution, cases are filed under Section 75 of the Act in E.I. Courts against the employers in default.

(iii) Prosecutions are also launched against employers for persistence in non-payment of contributions, non-submission of contribution cards and returns and/or non-compliance with the various provisions of the Act.

(iv) Appendix XX shows the number of cases in which action was taken under different sections of the Act.

34. Employees' Insurance Courts.—Five more E.I. Courts were set up during the year under report at the following places:

Name of the place	Jurisdiction	Presiding Officer
1. Madras City	Madras city & its suburbs	The Principal Judge.
2. Vishakhapatnam	Vishakapatnam Chittivalsa Nellimarla	Subordinate Judge.
3. Vijayawada	Vijayawada Eluru Mangalagiri	Subordinate Judge.
4. Hyderabad	Hyderabad & Secundrabad areas	Judge Industrial Tribunal.
5. Calcutta City	Calcutta City & Howrah Distt.	Workmens' Compensation Commissioner.

IMPROVEMENTS IN SERVICE TO INSURED PERSONS

35. Payment of Cash Benefit by Money Order at the cost of the Corporation.—For the convenience of insured persons the Corporation decided to meet the money order commission on remittance of cash benefit to beneficiaries in the following types of cases:

- (i) All payments not exceeding Rs. 20 in respect of sickness benefit, temporary disablement benefit and maternity benefit;
- (ii) All payments, other than the first, of permanent total disablement benefit, and dependants' benefit irrespective of the amount involved;
- (iii) Payments, other than the first, in respect of permanent partial disablement benefit irrespective of the amount involved to insured persons residing outside the municipal limits in which the appropriate local office is situated and subject to a limit of Rs. 20 where they live within such municipal limits.

The facility extended is also expected to reduce over-crowding at the Local Offices.

36. Payment of conveyance charges to insured persons who are required by medical boards to appear before specialists etc.—During the year under report, the Standing Committee agreed, subject to certain conditions, to pay conveyance allowance and/or compensation for loss of wages, to disabled persons who are required by the medical board to attend at a clinic, laboratory or hospital for X-ray or for any other specialist examination.

37. Acceptance of claim submitted even after 3 years from the date on which it became due.—The Standing Committee empowered the Director General to authorise payment of cash benefit on a claim submitted even after 3 years from the date on which it became due provided he is satisfied that the amount involved is substantial and/or the reasons for late submission are adequate.

38. Extended cash benefit to insured persons suffering from Tuberculosis.—In para. 27 of the report, mention has been made regarding grant of extended medical benefit to insured persons suffering from Tuberculosis. According to the resolution adopted by the Corporation at its meeting held on 17th December 1955, insured persons suffering from Tuberculosis will in addition to extended medical benefit also be entitled to sickness cash benefit for an extended period of 18 weeks after they have exhausted their ordinary sickness benefit under the Act. The rate of extended sickness benefit, which must not exceed the full rate of sickness benefit, will be half the rate of ordinary sickness benefit or 12 annas per day, whichever is greater. The benefit will be admissible only if the insured person was in continuous service for a period of at least 2 years in a factory to which the benefit provisions of the Act apply before the commencement of the spell of sickness in which the diagnosis was made. At the end of the year under report, these provisions were yet to come into force.

REVISION OF CERTAIN PROCEDURES

39. Revised procedure for elimination of casual workers from receiving medical benefit indefinitely.—A substantial percentage of persons taking up employment in factories covered under the E.S.I. Act consists of casual workers who leave such employment after a very short period. Originally these workers remained entitled to medical benefit for a period upto 9 months from the date of their entry into insurable employment. During the year under report, a procedure was introduced, according to which a new entrant would receive medical treatment only for a period of 13 weeks on the basis of a temporary document of entitlement but those who completed 13 weeks service would be issued permanent documents entitling them to medical care until they get disentitled on ceasing to be in insurable employment. This measure will undoubtedly result in saving of expenditure which the Scheme was so far incurring on provision of medical care to casual workers for indefinitely long periods.

40. Revised procedure for the issue of exit cards.—Under the E.S.I. (General) Regulations, 1950, a person who has ceased to pay contributions in a contribution period or has paid less than 12 contributions in that period, is not entitled to medical benefit from the commencement of the corresponding benefit period. There is an interval of about 3 months between the end of the contribution period and the commencement of the corresponding benefit period. During this interval, intimation of disentitlement of each insured person is issued to the Insurance Medical Officer/Practitioner from whom he is receiving treatment. In quite a large percentage of cases, the employers failed to send contribution cards to the

Corporation in time and so intimations of disentitlement were sent on the presumption that the insured person had ceased to pay contribution. Treatment was, therefore, refused to the insured person concerned and it took sometime for them to re-establish their right to treatment. In order to prevent hardship to those disentitled because of the employers' default, a procedure was introduced during the year under report under which an intimation of disentitlement is also sent to the insured person in advance. If he is still in employment, he can then immediately ask his employer to send the contribution card to the Corporation and, in the meantime, he can also get a certificate of continuing employment from his employer on the basis of which treatment is continued to him.

PAYMENT OF CASH BENEFITS

41. Claims in respect of employment injury become payable with effect from the date of implementation of the Scheme and those in respect of sickness and maternity with effect from the commencement of the first benefit period i.e., about nine months thereafter. Dates of implementation of the Scheme and of commencement of first benefit period in the various areas of each State have been indicated in Appendix I.

(a) **Sickness Benefit.**—Sickness Benefit was payable throughout the year in Delhi State, 7 centres in Punjab, and Kanpur. It became payable from 10th April, 1955 in Nagpur, from 3rd July, 1955 in Greater Bombay, from 23rd October, 1955 in Coimbatore, Gwalior, Indore, Ujjain and Ratlam; and from 29th January, 1956 in Hyderabad and Secunderabad area. Appendix XXI shows briefly particulars in respect of payments of sickness benefit in the year under report and compares them with similar particulars for the last year. The figure upto the end of the year 1953-54 have also been indicated. It will be observed that a sum of Rs. 57.35 lakhs was paid in cash sickness benefit as against a sum of Rs. 15.16 lakhs paid during the year 1953-54. A sum of Rs. 18.66 lakhs was paid upto the end of the year 1953-54. The increase in the amount of benefit is mainly due to the fact that 5.53 lakh employees in the areas mentioned above became eligible to receive this benefit, during the year under report. It will further be seen that the average number of benefit days and the amount of benefit paid in Delhi and Punjab had been slightly more during 1955-56 than during 1954-55 whereas in Kanpur they had been slightly less during 1955-56 than during 1954-55. The slight decrease in the expenditure at Kanpur can possibly be attributed to a prolonged strike during 1954-55. During the strike, workers who were without a wage had every temptation to secure cash benefit by malingering and in spite of the vigilance of the Corporation, the incidence of cash benefits went up during this period. On the other hand, failure to pay contributions during the strike period resulted in a substantial proportion of insured persons failing to qualify for sickness benefit during part of 1955-56 which in turn led to a lower incidence. The incidence has increased slightly in Delhi possibly due to the outbreak of Jaundice in epidemic form. The smaller sickness incidence in Punjab can, perhaps be attributed to a healthier climate, low wages and consequent lower rate of benefit, and a lower proportion of persons qualifying for it due to heavy labour turn over. The number of benefit days per spell of sickness ranged during 1955-56 between 7.3 to 11.8, the average being 9.4 days. The amount of benefit paid during 1955-56 per spell of sickness ranged from Rs. 11.5 to Rs. 20.2, the average being Rs. 18.9. The variation in the range of spells and payments are due partly to the variations in healthiness of climate and partly to the wages prevalent in various areas. However, it is gratifying to note that the experience in respect of the sickness incidence has been, in all areas, more favourable than the assumption made in the Interim Valuation Report of the Valuer which was received during the year under report.

(b) **Maternity Benefit.**—Maternity Benefit was also paid for the same periods as the sickness benefit in different areas during the year under report. Appendix XXII shows brief particulars in respect of payments of maternity benefit in the year under report and compares them with similar particulars for the year 1954-55. It will be seen that in 1955-56, a sum of Rs. 2,14,183 was paid as maternity benefit as against Rs. 6,925 paid during the year 1954-55. A sum of Rs. 5,345 was paid upto the end of year 1953-54. The substantial increase in the amount of benefit payment had been due mainly to the fact that in a number of areas with quite a high percentage of women employees, the insured women became eligible to receive this benefit during the year under report.

(c) **Temporary Disablement Benefit.**—Temporary disablement benefit was paid throughout the year in Delhi, 7 centres in Punjab, Kanpur, Nagpur, Greater Bombay, Coimbatore, Gwalior, Indore, Ujjain and Ratlam. It was paid from the respective dates of implementation as given in Appendix I in Hyderabad and Secunderabad, Calcutta City and Howrah District, Visakhapatnam, Vijayawada,

Nellimarla, Chittivalsa, Guntur, Eluru and Mangalagiri, Madras City, Agra, Lucknow and Saharanpur. Appendix XXIII gives brief particulars in respect of payments of temporary disablement benefit in the year under report and compares them with similar particulars for the preceding two years. The average number of benefit days and average amount of benefit per annum per employee have also been indicated in the Appendix. It will be seen that in the year 1955-56, a sum of Rs. 11.23 lakhs was paid as against Rs. 3.89 lakhs paid during the year 1954-55. A sum of Rs. 2.52 lakhs was paid upto the end of year 1953-54.

The increase in the amount of benefit paid during 1955-56 is mainly due to the fact that a number of areas given above were brought within the purview of the Scheme and the experience of areas covered during 1954-55 related to the full year whereas in the last year it related to only a part of the year. The average number of benefit days and the amount of benefit paid did not vary much. The number of benefit days per spell of Temporary Disablement Benefit ranged during 1955-56 between 10 and 23 days the average being 18 days. The amount of benefit paid during 1955-56 per spell of Temporary Disablement Benefit ranged between Rs. 11 and Rs. 41, the average being Rs. 35. The difference in them is due partly to variations in length of spell of incapacity and partly to variations in wages prevalent in various areas.

(d) **Dependants' Benefit.**—Dependants' Benefit, in cases of death due to employment injury, was payable in the same areas and for the same period as for temporary disablement. Appendix XXIV shows brief particulars in respect of payments of dependants' benefit in the year under report and compares them with similar particulars for the year 1954-55. Claims in respect of 53 death cases of which 45 occurred in Bombay and 1 in Hyderabad were admitted in 1955-56 whereas the number of similar cases admitted during 1954-55 was 24. The benefit actually paid in 1955-56 amounted to Rs. 28,150 whereas amounts of benefit paid in 1954-55 was Rs. 13,076. The amount paid as dependants' benefit upto the end of year 1953-54 was Rs. 12,064. The increase in the amount of benefit had been mainly due to the death cases of areas where the Scheme was extended during 1955-56 or towards the latter half of the year 1954-55. The incidence in Delhi, Punjab and Kanpur had been quite low as compared to previous years.

(e) **Permanent Disablement Benefit.**—Permanent Disablement Benefit, in cases of employment injury, was also payable in the same areas and for the same period as for temporary disablement. Appendix XXV gives brief particulars in respect of payments of permanent disablement benefit actually made in the year under report and compares them with similar particulars for the year 1954-55. 967 cases were admitted in the year 1955-56 as against 238 cases admitted in 1954-55. The benefit actually paid during 1955-56 amounted to Rs. 90,140 whereas the corresponding figures for the year 1954-55, 1953-54 were Rs. 32,459. The number of beneficiaries at the end of the year under report was 1,415. A sum of Rs. 16,469 was paid upto the end of the year 1953-54.

No permanent disablement benefit was paid in Andhra areas, Madras City area and Agra, Lucknow and Saharanpur areas of Uttar Pradesh as the assessment of degree of permanent disablement had not been made in any case, till the end of the year under report.

The total amount paid as Cash Benefits to the insured persons during the year under report and the year 1955-56, 1954-55 and upto the end of the year 1953-54 is as follows:—

BENEFIT (in thousands of Rupees)

Year						Total	
	Sickness	Maternity	Temporary Dis- ablement	Dependants' Permanent Dis- ablement			
					Rs.	Rs.	
Upto 53-54 . . .	1866	5	252	12	16		2151
1954-55 . . .	1714	7	389	13	33		2156
1955-56 . . .	5735	214	1123	38	84		7194
Total . . .	9315	226	1764	63	133		11501

(f) **Capitalised Value for Reserve Fund**—It may be stated that in respect of dependents' benefit and permanent disablement benefit, the capitalised value of all periodical payments in respect of cases admitted in a year is set aside in Reserve Funds and actual payments are met from these Reserve Funds and the interest earned thereon. The capitalised values of pensions in respect of permanent disablement benefit cases and dependants' benefit cases admitted during the year 1955-56 were Rs 10,87,400 and Rs 3,06,100 respectively. The corresponding amounts for earlier years were as under—

Year	Capitalised value of pensions	
	P. D. B.	D. B.
	Rs.	Rs.
1952-53	85,000	67,000
1953-54	1,83,800	63,900
1954-55	3,70,000	1,05,000

The net amounts in the Reserve Funds for Dependents' Benefit and P D Benefit on 31st March, 1956, were Rs 4,95,417/11/- and Rs 16,24,908/7/- respectively

42 Number of Insured Persons.—The number of insured persons continued to rise on account of fresh registrations due to labour turn over in areas where the first benefit period has not commenced during the year and in Greater Bombay where the action regarding disentitlement of Insured Persons from medical care could only be taken towards the end of the year. This work was likely to be completed soon in Bombay and the position will come to normal as in the case of other areas such as Delhi, Punjab, Kanpur etc., Appendix XXVI shows the net No of insured persons in implemented areas in each State at the end of each month in 1955-56. The comparison between the net number of insured persons at the beginning and end of the year 1955-56 has been indicated in Appendix I

43 Average size of the family of an insured person.—After careful investigation, the Director, Labour Bureau, Simla, forwarded a note on the average size of the families of insured persons in different areas which can be taken as a reasonable estimate for the extension of medical care to families. The weighted average of these estimates indicated that after providing for some rounding up of figures for various areas, the size of the family can be assumed on an all-India basis to be 2.88 per employee excluding the employee himself.

44 Statutory Rules and Regulations—During the year under report, the State Governments of Saurashtra, West Bengal, Andhra and Travancore Cochin finalised their E.I. Court Rules

The State Governments of Saurashtra, Andhra and Travancore-Cochin finalised their Employees' State Insurance (Medical Benefit) Rules also under section 96 of the E.S.I. Act.

45. Valuation.—As the Valuation Report was likely to take some time more and as the Corporation was anxious to decide its policy regarding extension of medical care to families, the Valuer, Shri L. S. Vaidyanathan F.I.A. was requested to prepare an interim report with special reference to the resources available for this purpose. The Valuer accordingly submitted an Interim Valuation Report. According to this Report, the Corporation could spare Rs 33 per annum per employee for provision of medical care to insured persons and their families if the Corporation were assured of income equivalent to that on the basis of Schedule I to the Act in respect of all employees in implemented areas. This is possible only if the rates of Employers' Special Contribution are raised suitably.

46 Training in Social Security.—Training facilities were afforded, as in previous years, to batches of students coming from different Universities in India.

47. Second Five Year Plan.—The end of the First Five-Year Plan period coincides with the end of the year under report. The areas which had been brought within the purview of the Scheme upto that date have been indicated in Appendix I. Proposals for the extension of the Scheme during the Second Five-Year Plan

were under the consideration of the Planning Commission and the Central Government at the year end. It is hoped that during the Second Five-Year Plan period the Scheme will be extended to all areas where there is a concentration of 1,500 employees or more and the medical benefit will be extended to the families of all the insured persons covered as well as those yet to be covered. The Planning Commission had not at the end of the year under report allocated the funds for these proposals but the matter was likely to be decided soon.

48. Some Observations on Trends in Administrative Expenditure.—From para 3 of this report and para. 5 of the report for 1954-55 it will be seen that the Corporation has been earnestly striving to effect economies in administrative expenditure. A table giving figures of income and administrative and other expenditure from year to year as also the ratio of administrative expenditure to total receipts from contributions and to the total expenditure is given on page 31. To illustrate the trend of the items of income and expenditure from year to year a set of diagrams is also shown on page 30A. It will be seen that even though substantial savings have been effected, the administrative expenses still appear to be a considerable portion of the total expenditure of the Corporation. This, however, is due to certain special features of the Scheme and to appreciate the real incidence of administrative cost, these need to be explained.

The administrative machinery of the Corporation has to deal not only with the provision of cash benefits to a large number of insured persons but also with the collection of contributions from and through employers. The latter part of the work involves payment of bank charges the cost of printing contribution stamps and all other relevant forms, and also the administrative work of watching the payment of contributions, keeping the contribution cards in order and the visiting by Inspectors of employer's premises for inspection of their records. In view of the fact that a number of employers do not comply with the requirements of the Act and the Regulations of their own accord, they have to be reminded and, in cases where compliance is still not forthcoming, legal proceedings have to be taken against them. Work falling on the organisation in connection with the collection of contributions is, therefore, quite substantial and accounts for a considerable proportion of the administrative expenditure. This is true in spite of the fact that the main function of the Corporation, however, is to provide benefits to insured persons and, as such, the major portion of the administrative work done in all the offices of the Corporation and almost the entire work done in the Local Offices is in connection with disbursement of benefits. In these circumstances though, in the table, a comparison has been given of the ratio of the administrative cost to the income from contributions on one hand and to the total disbursements on the other, a comparison with only one or the other is really not entirely correct. A better idea may perhaps be obtained by from the ratio of administrative cost to the total of the amounts collected and disbursed as benefits whether in cash or in kind.

The proportion, which the administrative expenditure bears to the total disbursement during the years for which the figures are given in the table however, appear very high and needs some explanation. Under the Act, the major cash benefits *viz.*, sickness and maternity benefits become payable not from the date of implementation in any area but from 9 months thereafter. Administrative expenses on the other hand commence about 6 months before the appointed day for any area as considerable preliminary work is to be done before implementation. The effect of these factors would ordinarily wear off in a year in respect of any one area but since the scheme is being implemented in stages, this distortion will continue to be in evidence in respect of the total administrative cost for the whole country so long as the Scheme is being extended to new areas. The effect of both these factors is that expenditure and income for any year do not relate to the same number of insured persons. Out of the expenditure itself, a part relates to insured persons who have been eligible to all the benefits throughout the year while the rest relates to insured persons who were not eligible to claim sickness and maternity benefits, or, to prospective insured persons who have yet to be covered under the Scheme.

There is one other factor which will increase the expenditure on benefits and relatively bring down substantially the ratio of administrative expenditure. Hospital and specialist treatment is not being provided at present on the approved scale in most areas, while some State Governments are not making any charges for beds occupied by insured persons in their hospitals. As the scale of hospital treatment under the Scheme is made more adequate, the expenditure on medical care will increase substantially.

There is another factor, through of minor importance, which vitiates the picture. Medical benefit under the Act is provided by the State Governments who bear one fourth of its cost. The remaining three-fourths is reimbursed by

the Corporation on receipt of claims from the State Governments concerned. The State Governments naturally require some time for claiming these amounts with the result that every year a substantial liability of the Corporation on this account remains outstanding as unclaimed. If, the amount actually to be reimbursed to the State Governments in any year could be included in that year's account, it would make a substantial difference in the amount paid out in benefits. Thus, in respect of the year under review, a sum of Rs. 27 lakhs is estimated to be outstanding on account of the share of the cost of medical benefit to be paid to State Governments though figures from all Governments are not yet available. If this were to be added to the other expenditure, administrative cost would form only 21.5 per cent of the total expenditure as against 24.7 per cent as at present.

With the phased extension of the Scheme, the cost of medical benefit is also increasing from year to year so that the outstanding amounts also show an increase from year to year. Once the Scheme is in operation throughout India, these outstanding will themselves stabilise and then this factor may cease to effect materially the ratio of administrative costs to total expenditure in any one year.

The fact that the incidence of administrative cost is steadily going down with extension of coverage would be apparent from a perusal of the accounts for the last four years. Due to the need for an All-India Organisation, the administrative cost formed 73.85 per cent of the total expenditure in 1952-53 when the number of employees covered under the Scheme was 1.2 lakhs and sickness and maternity benefits were paid only for part of the year. As the number increased to 1.5 lakhs in 1953-54 and the first group of 1.2 lakhs drew benefits for a full year, this ratio dropped to 49.9 per cent. It further declined to 42.4 per cent in 1954-55 when the Scheme covered 7 lakhs employees of whom only 1.2 lakh drew all the benefits all the year round. The year under review registered a further sharp decline when the ratio came down to 24.71 per cent with 10.15 lakh employees covered and 6.88 lakhs in receipt of all benefits. This process will be more easily followed from the diagrams on page 30A.

Only 9.6 per cent of the contribution income has been spent in the year under review on administration. It is estimated that as the Scheme covers the rest of India and the offtake in benefits, which is increasing, stabilises, administrative cost would also stabilise around 8 per cent of contribution income or below.

FINANCIAL AND ACCOUNTING ARRANGEMENTS AND INVESTMENTS

49. (1) **Financial and Accounting Arrangements.**—(a) The Revised Budget Estimates for 1955-56 and Budget Estimates for 1956-57 for the sanctioned measures as well as for the new proposals, were adopted by the Corporation and approved by the Central Government.

(b) The audit of the Accounts of the Corporation for the year 1954-55 was conducted, as in the previous years, by Government Auditors appointed by the Central Government during the year 1955-56. At the request of the Central Government, the Comptroller and Auditor General of India appointed the Accountant General, Central Revenues, to carry out the audit.

(c) During the year under report, 21 Bank Accounts for Local Offices and two for Regional Offices were opened as indicated below:—

A. With the State Bank of India in:—

(i) West Bengal	2 accounts.
(ii) Bombay	3 accounts.
(iii) Uttar Pradesh	3 accounts.
(iv) Madhya Pradesh	4 accounts.
(v) Rajasthan	2 accounts.
(vi) Hyderabad	1 account.
(vii) Andhra	2 accounts.
(viii) Madras	3 accounts.

B. With the Central Bank of India Ltd.

in Punjab 1 account for Regional Office.

C. With Bank of Baroda Ltd., 1 account for local office.

in Baroda 1 account for Regional Office.

Arrangements were also made with the branches of the above referred Banks for sale of contribution stamps.

During the year under report 12 bank accounts with the State Bank of India as indicated below, were closed due to abolition/down-grading of certain Local Offices.

With the State Bank of India in :—

(i) Madras	1 account.
(ii) West Bengal	4 accounts.
(iii) Madhya Pradesh	2 accounts.
(iv) Madhya Bharat	1 account.
(v) Punjab	1 account.
(vi) Bombay	2 accounts.
(vii) Hyderabad	1 account.

(2) **Investments.**—After meeting the expenditure during the year under report, a sum of Rs. 3,65,70,174/4/- was invested in Government of India Securities. This brought the total amount invested (including investments relating to certain funds) upto the close of the year to Rs. 8,11,39,968/13/3, after excluding Rs. 63,98,766/2/- for securities realised. The details of the Securities held at the close of the year are given in Appendix XXVII.

50. Income and Expenditure Account for the year 1955-56.—A statement at Appendix XXVIII gives the Income and Expenditure Account of the Corporation for the year 1955-56.

51. Conclusion.—The Corporation is indebted to State Governments, employers and employees but for whose understanding and co-operation, the considerable expansion of the Scheme would not have been possible.

If the work of the Corporation in the previous year be regarded as consisting of skirmishes in varied directions in comparatively unknown pieces of territory, the year under report may well be considered as a period of digging in and critical stock-taking of its successes. This position could not have been achieved without the whole-hearted co-operation of the Staff. The Local Offices were hard put to with having to cope with inevitable time-lags in obtaining their full complements of equipment and staff. The Regional Offices were particularly overworked and had to put up with constant reviews in establishments due to unforeseen difficulties in the working of the procedures, proceed with the extension of the Scheme to new areas and at the same time contend with day-to-day problems.

Credit also goes to the Principal Officers and their branches for their patience, perseverance and flexibility in harmonising the often contradictory viewpoints of the Medical, Insurance, Accounts, Actuarial and Administrative disciplines in tackling the problems confronting the Corporation. The Administrative Officer and his branch deserves special mention for their intensive studies and continuous assessment of the requirements of the cash benefit organisation and for the considerable economies effected.

Statement showing Trends in Administrative Expenditure

	1952-53	1953-54	1954-55	1955-56
I. Total Administrative Cost	21,01,420	24,72,797	34,73,578	44,64,591

APPENDIX VII

Important decisions taken by the Corporation at its meetings held on the 17th December, 1955

(i) The Annual Report and the Audited Accounts of the Corporation for the year 1953-54, were approved.

(ii) The Corporation decided that the hospitals for the in-patient treatment of insured persons may be constructed on any of the following 3 basis viz.—

- (a) Joint ownership of the State Government, and the Corporation;
- (b) Sole ownership of the State Government, or
- (c) Sole ownership of the Corporation.

It also directed that the particular method to be adopted should be decided in each case in consultation with the State Government, to ensure speedy construction of hospitals.

(iii) The Corporation agreed that the specialists services should be provided in conjunction with Hospitals where beds are reserved under the Scheme.

(iv) The Corporation decided that the Punjab Government, should be approached for providing medical care through the service system.

(v) The recommendations of the 4th meeting of the Medical Benefit Council held on the 28th October, 1955, were approved. The important matters on which recommendations of the Council were made, may be seen at Appendix IX.

(vi) It was decided that restricted medical benefit should be extended to the families of insured persons after arrangements for the extension have been finalised. The restricted standard should conform to the following: —

- (a) Out-door consultations either in dispensaries or clinics of private practitioners.
- (b) Free supply of medicines including ordinary medicines and special medicines (which a panel doctor can prescribe).
- (c) Medical attendance during confinement of the wife of the insured person at his house either by a medical practitioner or by a midwife.

APPENDIX VIII

Important decisions taken by the Standing Committee at its meetings held on 29th July and 15th December, 1955.

(i) The Standing Committee accorded sanction for the purchase of land for construction of a Hospital at Kanpur, and the construction of annexe wards at Hyderabad and Coimbatore and the construction of a dispensary at Hyderabad. Payment of the Corporations' share of expenditure to the State Government was also sanctioned.

(ii) Decided that the disabled insured persons who are required by the Medical Board to attend at a clinic, laboratory or hospital for X-ray or for any other specialist examination, should be paid conveyance allowance and/or compensation for loss of their wages.

(iii) The arrangements for the provision of medical care to the insured persons living at long distances from the clinics of panel doctors was considered. It was decided that if no panel doctor is living within a radius of 3 miles from the residence of an insured person, the insured person may be compulsorily allotted to the nearest panel doctor and that the panel doctor may be paid in addition to ordinary capitation fee for each domiciliary visit Rs. 2/- as visiting fee plus As. -/2/- as conveyance for the actual distance travelled.

(iv) The drainage and water works and pumping stations under the control of the State Governments, and Local Bodies, were exempted under Section 73-F and 90 of the E.S.I. Act, 1948.

(v) Exemption was allowed to continue to be given to factories employing less than 10 persons but in which 20 or more are working.

(vi) The Audited Accounts of the E.S.I. Corporation Provident Fund for the years 1953-54 and 1954-55 were adopted.

(vii) The grants-in-aid for provision of amenities for the employees of the Corporation were sanctioned.

(viii) Certain class (iv) staff in the Headquarters Office were granted bicycle allowance for maintaining their own bicycles for office use.

(ix) It was decided that all the supervisory posts in the Corporation should be reserved for departmental promotions.

(x) The additional staff for implementation in new areas, was sanctioned.

APPENDIX IX

Chief Accounts Officer,
Employees' State Insurance Corporation.

[No. F.HI-4 (10)57.]

New Delhi, the 27th September, 1957

S.R.O. 3269.—Whereas the employees in the Telegraph Workshops, Jabalpur, belonging to the Government of India in the Ministry of Transport and Communications, are in receipt of benefits substantially similar or superior to the benefits provided under the Employees' State Insurance Act, 1948 (34 of 1948);

Now, therefore, in exercise of the powers conferred by section 90 of the Employees' State Insurance Act, 1948 (34 of 1948), the Central Government hereby exempts the said workshops from all the provisions of the said Act from the 29th September, 1957, to the 31st January, 1958.

[No. F. HI-6(179)/57.]

New Delhi, the 30th September 1957

S.R.O. 3270.—In exercise of the powers conferred by sub-section (3) of section 5 of the Tea Districts Emigrant Labour Act, 1932 (22 of 1932), the Central Government hereby determines that the rate of the Emigrant Labour Cess to be levied under the said section in respect of the entry into Assam of each assisted emigrant shall be rupees five for the year commencing on the 1st October, 1957 and ending on the 30th September, 1958.
